

# Your Moving Home Checklist

## 4 weeks before the move

- Organise removals
- Start packing
- Set up a mail redirect service

## 1 week before the move

- Set up TV and broadband services
- Insure your new home
- Arrange a babysitter or pet sitter for moving day
- Finish the food in your freezer
- Request final bills from your utility providers
- Change your address

## The night before

- Pack a survival kit

## On moving day

- Take final meter readings
- Unpack your survival kit and get the kettle on
- Place boxes in their relevant rooms
- Make the beds
- Find the nearest takeaway and enjoy the first night in your new home!
